## Support Organic Farming in the Farm Bill!

Once every 5 years, you have the opportunity to shape the direction of agriculture policy in the United States.

The Farm Bill is the primary legislative tool to invest in organic farming, and it is on a fast-tracked schedule for being written by November 1st!

**CLICK LINK TO SIGN PETITION!**

THE 2012 FARM BILL  
WILL BE PROPOSED  
BY NOV. 1ST!
